

Disclosures & Schedule Of Fees for Personal City National Private Accounts Effective September 2020

Schedule of Fees for City National Private Accounts

Balance Information - Balance requirements to avoid service fees refer to the minimum average daily balance. The average daily balances are calculated by adding the balance in the account for each day for a statement cycle and dividing that figure by the number of days in the cycle.

Minimum and average daily balance requirements are based on ledger balance, while interest accrues on bank collected balance for interest checking and money market accounts.

Interest and Other Information for Checking & Money Market Products

Rate Information - Current interest rates and Annual Percentage Yields (APY) are available at any of City National Bank of Florida (CNB) banking locations or by calling 1-800-435-8839.

Variable Rates - All interest bearing checking, savings, and money market deposit accounts earn a variable rate of interest. At our discretion, the interest rate and APY may change at any time.

Crediting - Interest on all interest-bearing checking, money market deposit accounts, savings and youth savings accounts are credited monthly.

Balance Computation Method - We use the daily balance method to calculate interest; this method applies the daily periodic rate to the bank collected balance in the account each day.

Non-Cash Deposits - If you deposit a non-cash item, such as a check, interest will begin to accrue no later than the business day the bank receives provisional credit for the deposit.

Transaction Limitations for Savings and Money Market Accounts - We require by contractual agreement a restriction on the number of transfers or withdrawals that can be conducted from Money Market Accounts. No more than six transfers or withdrawals, or a combination of such transfers or withdrawals per monthly statement cycle, to another account (including a transaction account) of the depositor at CNB or to a third party by means of a pre-authorized or automatic transfer (ACH, telephone, internet banking, overdraft protection, etc.) or withdrawals by check, draft, debit card, or similar order made by the depositor. If you exceed these limitations, you will be charged an Excess Transaction Fee of \$10 per transaction.

Withdrawal Restrictions for Money Market Accounts - Federal regulation permits CNB, at its sole discretion, at any time, to impose a seven (7) day advance notice of withdrawal requirement in order for you to withdraw money from your money market accounts.
